

The Glory of God October 2, 2011

Glorifying God by making disciples of all nations until Jesus returns.

I. The Hour Has Come.

- Jesus' sense of urgency.
- Timing
- Prayer
- God's glory is seen when God's people seek God's face in prayer!
- e. God is glorified when His truth is proclaimed, His children serve, and His people pray!
- CBC testimonies
- Why is this local church beginning to reshape our priorities and reassess our spending in light of urgent spiritual and physical needs around the world? Why are members changing their lifestyles?

II. God's Plan is to Glorify God, (not us)

- Jesus is equal yet distinct from the Father.
- Definition
- How would Jesus glorify God?
- "Glorify the Son, that the Son may glorify You."
- His Father glorified Him.
- He stands in for you now in prayer.
- Jesus was consumed with the glory of God as He viewed the cross
- What was Jesus asking?
- What is Jesus desire for CBC today?

III. Four Questions We Must Answer.

1. Is God's glory the heart of my life/family?
2. Am I making disciples? Is my family?
3. Am I reaching the nations with the Gospel? Is my family?
4. Do I/we have the return of Jesus in our view?
