The Clayton Baptist Church Van Ministry is to assist those families who have no other means to get their child (ren) to the church to participate in Vacation Bible School. We will be happy to pick up and deliver your child to and from VBS. We will drop off children at the same location as they are picked up.

If you want to benefit from this ministry please do the following:

- 
1. **Call the church at 706-782-4588 to schedule your child(ren) on the van ministry** or to ask questions. Leave a message on the answering machine or with the attendant and we will call you back to schedule pick up. We will not come and pick up your child if you have not called to schedule. Van transportation is for children who have completed Kindergarten up.
  2. **Complete this form** and have ready for the van driver to pick up on Monday morning. A child cannot ride the van unless this form is complete.
  3. Please have your child ready to go each morning by 8:15 am.
  4. Please be at your home by 12:00 pm (2:30 pm if child in Music Camp) to receive your child from the van. We are unable to take your child to another location if you are not home.
  5. **Please meet the van on pick up and drop off.** You will be required to sign your child on/off the van each day.
